You are allowed only the following items for your Report stage / Write Up.

Tick these off and place into this plastic pocket.

This pocket **MUST** stay with your teacher outwith the lesson time.

Tick	Item needed
	Instructions booklet for candidates
	Information you have gathered from the internet, books and/or journals to help you explain the physics relevant to your aim
	The experimental method sheets
	Your raw experimental data
	Your internet or literature data/information, including the reference to the source of the data/information

Once the Report stage / Write Up is underway, all of your written material that will be submitted to SQA will also go into this pocket at the end of each lesson.
